

HealthSecure Gold 2024

Product Code: HEALTHSECURE-GOLD-2024

Sum Insured: INR 500,000 | Policy Period: 2024-01-01 to 2024-12-31

OP-3.2 — Outpatient Consultation

[Clause OP-3.2] Outpatient consultation is covered under this policy. Reimbursement is subject to a sub-limit of INR 1,500 per visit, up to a maximum of 6 visits per policy year.

IP-2.1 — Inpatient Hospitalisation

[Clause IP-2.1] Inpatient hospitalisation expenses are covered up to the sum insured of INR 5,00,000 per policy year.

IP-2.4 — Co-Payment For Senior Members

[Clause IP-2.4] A co-payment of 20% applies to all inpatient hospitalisation claims for members aged 60 years and above at the time of admission.

DG-4.1 — Diagnostics

[Clause DG-4.1] Diagnostic tests, including imaging and laboratory investigations, are covered subject to an annual sub-limit of INR 8,000.

MT-5.3 — Maternity Benefit

[Clause MT-5.3] Maternity expenses, including obstetric care and delivery, are covered after a continuous waiting period of 24 months from the policy inception date for the member.

PE-6.2 — Pre-Existing Conditions

[Clause PE-6.2] Treatment for pre-existing conditions declared at inception is covered only after a continuous waiting period of 36 months from the policy inception date.

EX-7.1 — Cosmetic Procedures

[Clause EX-7.1] Cosmetic and aesthetic procedures, including but not limited to blepharoplasty performed for cosmetic reasons, are excluded from coverage under this policy.

EX-7.4 — Dental Treatment

[Clause EX-7.4] Dental treatment is excluded from coverage unless required as a direct result of an accidental injury.

PH-8.1 — Pharmacy Benefit

[Clause PH-8.1] Generic medication is reimbursed at 100% of the billed amount. Branded medication is reimbursed at 80% of the billed amount where a generic equivalent exists in the formulary.

PH-8.5 — Non-Formulary Drugs

[Clause PH-8.5] Non-formulary drugs are excluded from coverage unless prior authorisation has been obtained before dispensing.

NW-9.2 — Out-Of-Network Providers

[Clause NW-9.2] Treatment received from an out-of-network provider is reimbursed at 70% of the otherwise-payable amount.
